Bross noted completion of the annual Agency report to the PFIAB. It will be submitted to the DCI for review and signature. Bross said that a shorter report on community developments is in preparation now.

DDS&T referred to a recent Time Magazine article about Olfactronics, voice-prints, etc.. He reported that the Agency is keeping abreast in all but one of these fields.

25X1 DDP discussed AID Director Bell's proposal for a special counter
25X1 insurgency striking force [redacted] There are deficiencies
25X1 in the AID proposal and these deficiencies and suggestions will be sent forward
to the DCI from DDP.

The Executive Director noted that General Taylor, who is looking into U.S. counter insurgency matters, has established four committees. A CIA officer chairs an "intelligence committee."

25X1 DCI noted that he had asked at his earlier morning briefing for a
DDP memo [redacted] for use in prospective
discussions with the President.

ACTIONS:

25X1 1. The material used in the background briefing on logistics support
25X1 to the Communists in Vietnam is to be made available [redacted]

25X1 2. The geographic memo on Kashmir and a companion piece memo
25X1 on the political situation is to be provided to Ambassador Goldberg. A note
25X1 is to be prepared for the DCI's signature covering these documents and the
25X1 information is to be passed [redacted] (DDI - 29 September)

25X1 3. Upon being given a memo by Kent providing ONE's preliminary
assessment [redacted] DCI asked that a section be added outlining
the extent of the U.S. AID program [redacted] and the current state of the
food situation [redacted] (DDI - 1 October)

25X1 4. DCI requested a study of the pros and cons of a U.S. undertaking
[redacted] (DDI - 4 October)

25X1 5. DCI requested that [redacted] a secure telephone
to facilitate Agency contact with him. (DDS - 1 October)
